Exclusive Partner's Summit (EPS) 2018

The Re-engineered Real Estate Summit of India 2018

Brand Torque is set to build a global community of Investors, Partners, Developers, Bankers and Associates, across the Real Estate ecosystem to connect and build exciting opportunities, with key players in the said domain, and create a Niche platform with inputs from regulators and thought leaders in the industry.

The key objective is to be a strong participant in the sector evolution, get the best practices moving, with business.

Why you should be a part of EPS 2018?

- Learn about new practices and emerging standards
- See the latest project releases from leading builders
- Hear how others are solving most challenging problems
- Discuss your challenges and ideas with peers and analysts
- Network with industry achievers and develop valuable relationships
- Expand your knowledge by attending sessions with formats designed to enhance learning and absorb industry new practices
- Discover new ways to break down silos
- Collaborate with the industries who's-who on shared problems like process implementation, legal systems and new skill sets etc
- Post EPS Summit, learn from the Take-Away from the Event highlights, track absolute productivity and be geared for the year run, followed by annual awards.
- A perfect ecosystem that brings in more than 150+ Top Bankers and Realtors with a common objective

Our Company

BRAND TORQUETM
where Power meets Acumen

Brand Torque is an Intellectual Property creator dedicated towards bringing in a 360 degree platform for Value Enhancement, with a sector agnostic approach. Brand Torque's journey starts from identifying the Client's core business competencies, creating a recall value and soliciting a long-term relationship with respective communities.
